# ATL TINKERPRENEUR BOOTCAMP 2024

AIM TO INNOVATE

# About Tinkerpreneur

Tinkerpreneur is a 40-day long summer bootcamp in June – July which equips students with foundational knowledge of key digital and entrepreneurial skills to create their own online venture by the end of the bootcamp.

## A Goal to Work Towards!

Top 100 students to get dedicated mentoring

Top 50 mentors to get special recognition

Additional rewards for teams from aspirational districts, rural areas ...

The bootcamp will leverage the knowledge and hands-on involvement of ATL Mentors of Change and combine it with insights from industry leaders and peer mentoring by Tinker Champs to provide students a thorough introduction to entrepreneurship.

**Registration link :** <https://aimapp2.aim.gov.in/atp2024>

**Who can participate:** Class 6 to 12 students from all ATL schools

**Note :** Students from non-ATL schools can team up with students from ATL schools to participate

**Bootcamp starts on :** 20th June 2024

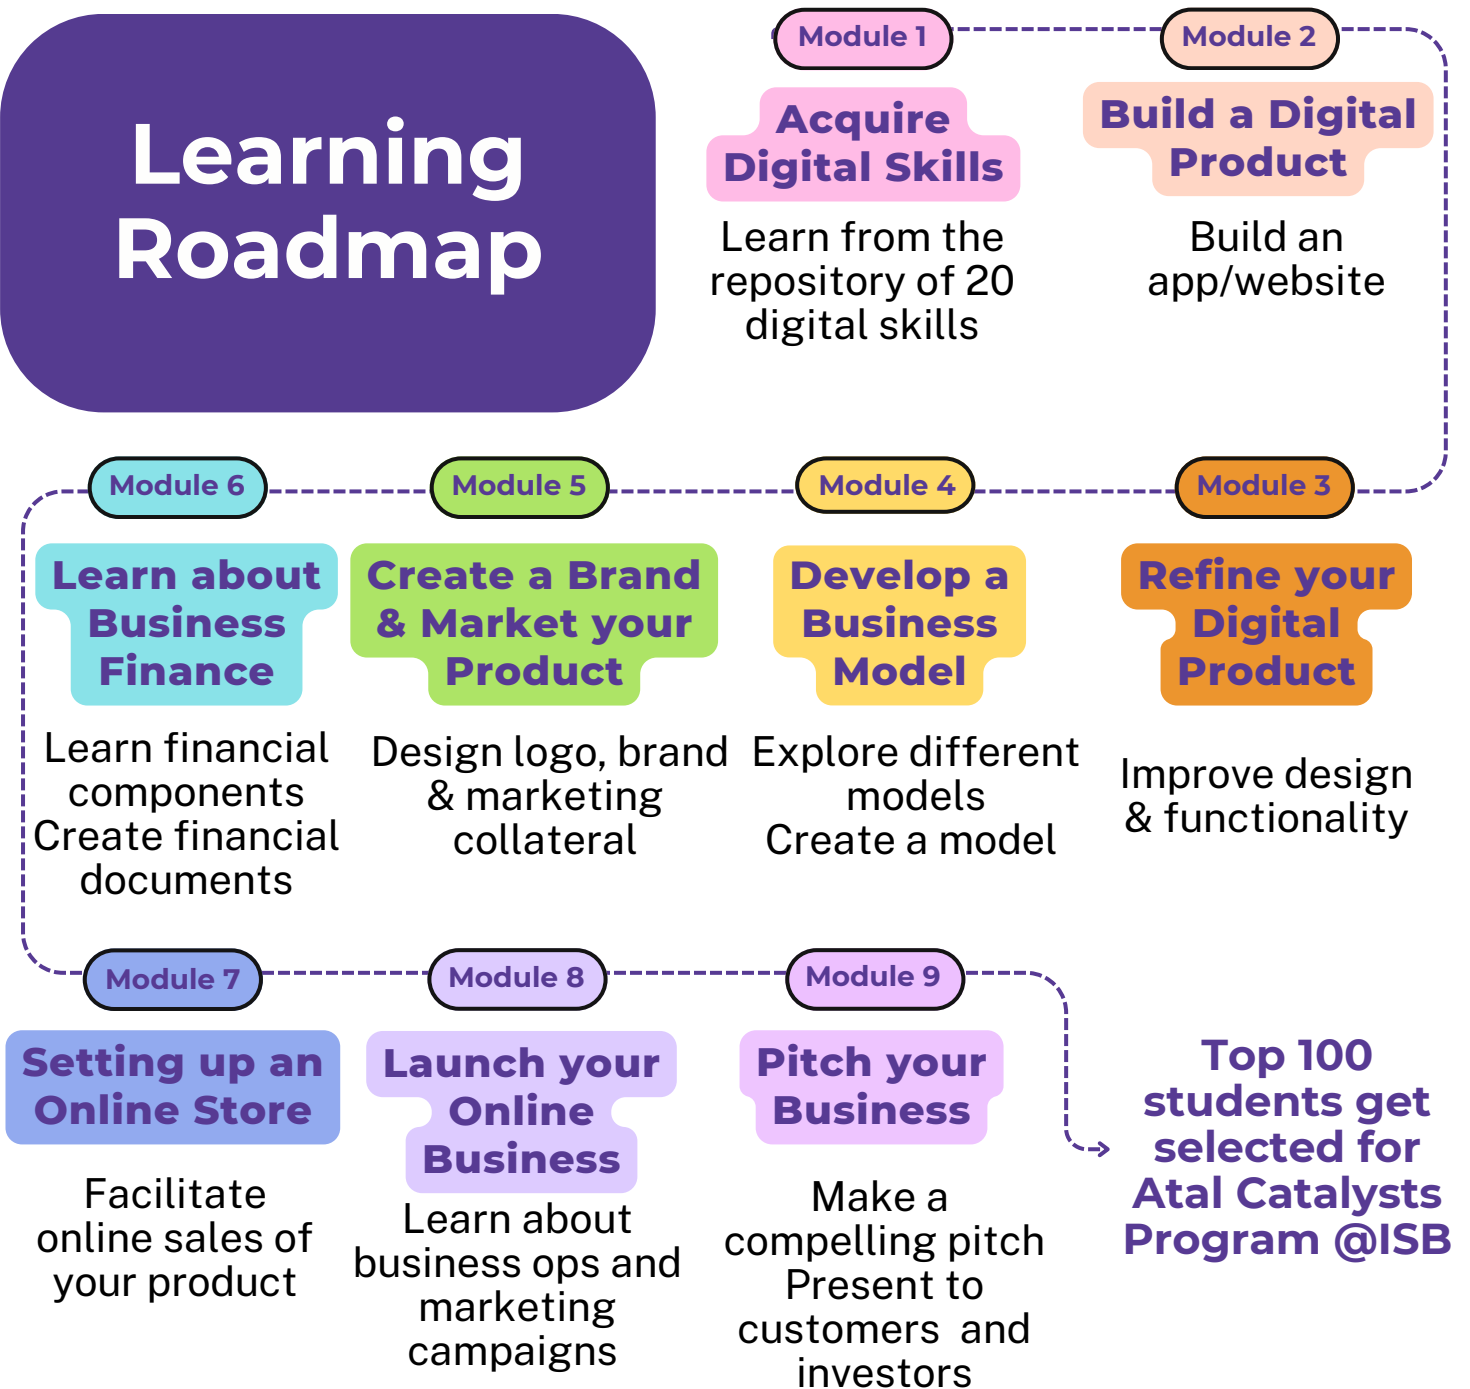

**Mode of learning:** Self-learning through an online web-portal combined with mentoring support

**REGISTER NOW**

# About Tinkerpreneur

## Learning Roadmap

### Special additions

- Two new AI digital skills

- Addition of fun activities like comics, flashcards and puzzles by Tinker Champs

Check out the Comic book for some inspiration [Download](#)

# Roles and responsibilities

## Students

- Be diligent and dedicated to learning, take the quizzes and assignments and complete the milestones of the bootcamp.
- Be responsive to your team members, Mentor and ATL Teacher
- Attend the sessions organized by Mentors and AIM during the week/weekends
- Be self-motivated and energized to become an entrepreneur this summer

## Mentors

- Be responsive to your student teams
- Conduct atleast 1 session per week for your student teams based on curriculum
- Guide students and solve queries raised by them
- Keep students motivated to complete the bootcamp
- Read student assignments and evaluate them on the portal

## Teachers

- Play a strong supporting role to your student and your mentor
- Be present in any interaction between Mentor and Students
- Keep Students motivated to complete the bootcamp
- Track student progress on School portal and encourage students to complete the program
- Moderate engagement between student and mentor and report issues (if any) to AIM team via portal

# What we offer?

## Handhold Me Sessions

A group of young changemakers called Tinker Champs will be conducting mentoring sessions for the benefit of their peers, as a part of the Tinkerpreneur bootcamp. This year, they will cover both entrepreneurship and digital skill topics. These sessions promote the concept of peer-mentoring.

## Digital & Entrepreneurial skills

- Acquire upto 20 digital skills through self-learning portal.
- Equips you with the latest trends and knowledge to stay ahead of the curve.
- Learn how to assess the viability of your business idea.
- Gain the confidence to take the initiative and pursue your entrepreneurial goals.

## Mentoring Support:

Our dedicated mentors offer invaluable guidance throughout the boot camp journey. With weekly sessions tailored to the curriculum, they ensure students stay on track, address queries, and maintain motivation.
